

RENEWABLE ENERGY CERTIFICATE

Certificate No. 2018-066

We hereby confirm all German locations of the CenturyLink Communications Germany GmbH
Rüsselsheimer Straße 22 in 60326 Frankfurt / Main

the purchase of 100 % green electricity from hydropower plants with modern environmental standards from
01.01.2018 till 31.12.2019.

Energy is generated in sustainable hydropower facilities that meet modern environmental standards and are
connected to the European grid. The green power certificates of origin correspond to the criteria ÖKOSTROM of
KlimalInvest Green Concepts GmbH.

**With the redemption of the guarantees of origin amounting to 128.000.000 kWh it is granted that in the
period above-named the electricity had been produced 100 % climate neutral by renewable energy
installations. Up to 76.416 tonnes of CO₂ will be avoided.**

The redemption in accordance with § 17 of the guarantees of origin act is carried out and confirmed by the
registry of the federal environmental agency.
